AGRICULTURE
Agricultural and
Community Services Branch

AGDEX 007

.91-01434/

Agricultural Societies comprise a vital part of the rural lifestyle in Alberta. One of the major activities of agricultural societies has been the annual fair or exhibition.

The list of fair dates in this booklet has been compiled from submissions by agricultural societies. Every attempt has been made to ensure the accuracy of the information but for complete details on a specific fair or community activity, contact the local agricultural society.

This publication has been divided into two parts:

a) Calendar of fair and activity dates
b) List of fairs/exhibitions and activities by community

Agricultural & Community Services Branch
Rural Services Division
